## **Automatic Transmission Replacement Parts Catalog**

**Compiled and Printed: 1981, 1982, 1985, 1988, 1991, 1993, 1994, 1996, 1999, 2001, 2003, 2006, 2008, 2009, 2010, 2012**

Although every precaution has been taken to assure the utmost in accuracy throughout this catalog, we are not responsible for errors or omissions. We reserve the right to make running modifications on individual components or in kits without prior notice in an effort to provide the very latest in replacement parts, while maintaining the highest quality possible.

### **INQUIRIES AND SUGGESTIONS ARE ALWAYS WELCOME**

#### **LIMITED WARRANTY**

Any item shipped by Freudenberg-NOK will be replaced, after inspection by our facilities, if deemed defective in manufacture. Liability is limited strictly to the replacement of parts only and claims for labor or consequential damages will not be accepted or honored. Except for such replacement, the sale, use or any other handling of our items is without liability or warranty whatsoever, especially if any other fault, including negligence, might cause damage, defect, injury or loss. No returns will be accepted without prior approval and written authorization. A restocking charge may apply.

To the best of our knowledge, kit contents are considered current on the date assembled, so **IT IS EXTREMELY IMPORTANT THAT YOU ROTATE YOUR STOCK ACCORDING TO THE DATE CODE ON THE CHIPBOARD EVERY TIME YOU RECEIVE A SHIPMENT. USE THE OLDEST DATE CODE FIRST.** Date codes are defined as follows: 1/10/12 = assembled January 1, 2012. A sequence number is printed on the right side of the chipboard which designates which number this kit was in the production run. Always refer to the date code and sequence number if you have any questions or problems.

Teflon® is a registered trademark of E.I. du Pont de Nemours & Co. Its usage herein is generic. The actual TFE (tetrafluoroethylene) or PTFE (polytetrafluoroethylene) resins contained in the plastic sealing rings offered for sale may or may not be Teflon, and may actually be manufactured by another resin manufacturer.

Vamac® and Viton® are registered trademarks of E.I. du Pont de Nemours & Co. Their usage herein is generic. The actual ethylene acrylic elastomers and fluorinated hydrocarbon elastomer resins contained in the rubber seal devices offered for sale may or may not be Vamac or Viton, and may actually be manufactured by another resin manufacturer.
